## **Policies and Procedures Manual**

### **INTRODUCTION**

The purpose of the Policies and Operational Procedures Manual is to detail the specific operating policies and procedures for the California Surf Lifesaving Association (CSLSA). It is intended to act as an adjunct to the Bylaws of the CSLSA. The manual contains a number of differing types of policies, which may be generally defined in the Bylaws. In addition there may be procedures for the conduct of business by the United States Lifesaving Association (USLA), of which the CSLSA is a member Region.

The manual contains four main types of Policies and Procedures. First is a policy or procedure authorized by Bylaw, or which takes its' root from a Bylaw or an interpretation of a Bylaw; next, policies and procedures created by a Board of Directors' Resolution or Minute Action; and finally, normal business practices of non-profit organizations which may mandate policies or procedures.

In the original manual an effort was made to research all relevant policies and procedures created since the creation of CSLSA. This was accomplished through a thorough review of the Bylaws and Minutes of the organization since 1979. It was inevitable that some oversights might occur, hence a review and amendment process was again undertaken to correct errors and bring all the materials in the manual into proper alignment with the Bylaws and to delete items made redundant through recent changes in the Bylaws.

An attempt should be made to maintain an updated manual through semi-annual review of the minutes to insure that are policies create in that manner and are properly recorder here for future reference.

**Number:** II-F  
**Adopted:** April 7, 2017  
**Authority:** Board Resolution  
**SUBJECT:** **AWARDS & SPECIAL PRESENTATIONS CRITERIA**  
**PURPOSE:** To recognize those individuals who have made a significant contribution to the humanitarian goals and objectives of CSLSA and USLA.

The CSLSA is comprised of dedicated men and women in the open water lifeguard profession who wish to present awards in recognition of selfless acts performed by members and non-members within the Region.

Incredible feats of shoreline/open water aquatic heroism are often performed by the men and women in the lifeguard profession; however lifeguards are not always present to perform these acts. In many cases the saving of life can be attributed to a stranger passing by a distress scene.

### A. PROCEDURE FOR RECOGNITION

Any member may initiate a request for recognition, as long as that person initiating the request is not a direct family relation to the person that performed the act.

To bring an act to the attention of the Awards & Special Presentations Committee, a written account of the incident accompanied by supporting material such as newspaper clipping, or witness statements should accompany a Heroic Acts Application form and be forwarded to:

CSLSA Awards & Special Presentations Committee  
P.O. Box 366  
Huntington Beach, CA 92648

or via E-Mail (Preferred Method) at: [specialap@cslsa.org](mailto:specialap@cslsa.org)

Once the application is submitted, the Awards & Special Presentations Committee Chair brings the matter to the next regular meeting of the CSLSA Board of Directors. At that meeting a special meeting of the Committee is held to review the application to insure it's properly depicted in one of the categories defined in Section C.

If the committee approves the application in one of these categories, the application is then forwarded to the USLA Awards & Special Presentations Committee Chair. The USLA Chairperson then conducts a meeting of the USLA Awards & Special Presentations Committee in a similar fashion as the CSLSA Committee.

If approved at the National level, a national award is given. If denied, an award is given at the Regional level.

20

**Number:** II-J  
**Adopted:** April 13, 2007  
**Authority:** Article III, Section 1 of the Bylaws and Board Resolution  
**SUBJECT:** **CONFLICT OF INTEREST POLICY**  
**PURPOSE:**

The purpose of this conflict of interest policy is to protect the interests of the California Surf Life Saving Association (CSLSA) when it is contemplating entering into a transaction or arrangement which might benefit the private interest of an officer or director of CSLSA or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any state and federal laws governing conflicts of interest in nonprofit and charitable organizations.

### A. Definitions.

1. "Interested person" means any director, principal officer, or member of a committee with governing board-delegated powers, who has a direct or indirect financial interest, as defined below.
2. A person has a "financial interest" that has, directly or indirectly, through business, investment or family:
  - a. An ownership or investment interest in any entity with which CSLSA has a transaction or arrangement,
  - b. A compensation arrangement with CSLSA or with any entity or individual with which CSLSA has a transaction or arrangement, or
  - c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which CSLSA is negotiating a transaction or arrangement.
3. "Compensation" includes direct and indirect remuneration as well as not-insubstantial gifts or favors.
4. A financial interest is not necessarily a "conflict of interest." A person who has a financial interest may have a conflict of interest only if the governing board or appropriate committee decides, pursuant to Section B-2 of this policy, that a conflict of interest exists.

### B. Procedures

1. In connection with any actual or possible conflict of interest, an interested person must disclose the existence of any financial interest and be given the opportunity to disclose all material facts to the governing board and members of committees with governing board-delegated powers considering the proposed transaction or arrangement.
2. After disclosing the financial interest and all material facts, and after any discussion with the governing board or committee, the interested person shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide whether a conflict of interest exists.
3. If a conflict of interest is determined to exist,
  - a. an interested person may make a presentation to the governing board or committee, but after the presentation, he/she shall leave the meeting during the discussion of and voting upon the transaction involving the possible conflict of interest.
  - b. The chairperson of the governing board or committee shall, if deemed appropriate,

## *California Surf Lifesaving Association* **Policies and Procedures Manual**

appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.

- c. After exercising due diligence, the governing board or committee shall determine whether CSLSA can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity which would not give rise to a conflict of interest.
  - d. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the governing board or committee shall determine by a majority vote of the disinterested directors or committee members whether the transaction or arrangement is in CSLSA's best interest, for its own benefit, and whether it is fair and reasonable.
  - e. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.
4. If the governing board or committee has reasonable cause to believe a member has failed to disclose an actual or possible conflict of interest, it shall inform the member of the basis for such belief and afford him/her an opportunity to explain the alleged failure to disclose.
  5. If, after hearing the member's response and after making such further investigation as may be warranted by the circumstances, the governing board or committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

### C. Records

The minutes of the governing board and all committees with board-delegated powers shall contain:

1. The names of all persons who have disclosed or who otherwise were found to have an actual or possible conflict of interest, the nature of the financial interest actually or possibly giving rise to the conflict of interest, the action taken to determine whether the conflict of interest existed, and the board's or committee's determination.
2. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

### D. Compensation

1. A voting member of the governing board who directly or indirectly receives compensation from CSLSA for services is precluded from voting on matters pertaining to that member's compensation.
2. A voting member of any committee whose jurisdiction includes compensation matters and who directly or indirectly receives compensation from CSLSA for services is precluded from voting on matters pertaining to that member's compensation.
3. No voting member of the governing board or any committee whose jurisdiction includes compensation matters and who directly or indirectly receives compensation from CSLSA for services is precluded from providing information to any committee regarding compensation.

## *California Surf Lifesaving Association* **Policies and Procedures Manual**

### E. Annual Statements.

1. has received a copy of this conflicts of interest policy; and
2. has read and understands the policy; and
3. has agreed to comply with the policy; and
4. understands that CSLSA is charitable and in order to maintain its tax exemption it must engage primarily in activities, which accomplish one or more of its exempt purposes.

### F. Periodic Reviews; Use of Outside Advisors.

1. To insure that CSLSA operates in a manner consistent with its charitable purposes and does not engage in activities which could jeopardize its tax-exempt status, periodic reviews shall be conducted, including at a minimum:
  - a. Whether compensation arrangements and benefits are reasonable, based upon competent survey information, and the result of arm's-length bargaining.
  - b. **Adopted:** October 15, 2010  
**Authority:** Board Resolution  
**SUBJECT:** **Board of Directors Meetings – Hosting**  
**PURPOSE:** The CSLSA recognizes that hosting a Board of Directors Meeting is an honor for the Host Chapter and a benefit to the organization. This policy is intended to clarify expectations of both the Host Chapter and the CSLSA, and to provide financial options for the Host Chapter to assist in ensuring a successful meeting for both parties.

A. Expectations of the CSLSA

1. The CSLSA will promote the meeting through the CSLSA website and announcements at the prior meeting.
2. The President or CSLSA representative will encourage all members and chapters to RSVP in a timely manner in order to assist Host Chapter with preparations.
3. The CSLSA will provide the number and names of special award recipients to the Host Chapter in a timely manner.

B. Expectations of the Host Chapter

The Host Chapter must work within their budget, and should never lose money when hosting a CSLSA Board of Directors meeting.
  - b. Registration fees are to cover meeting costs only and not to be used as a revenue source for profit for the Host Chapter. Sponsors, vendor booths, etc. may also assist in keeping registration fees at a minimum.
  - c. Additional fundraising opportunities may present themselves to assist Host Chapters. Any profit garnered by the Host Chapter should be done by other means, i.e. raffles, additional sponsors, etc. and the meeting budget should not be compromised for the purpose of profit.
2. Host Chapters are to provide a continental breakfast for both mornings, one lunch on the first day, and one dinner on the first evening. Water and snacks throughout meeting would also be appropriate, but not mandatory.
3. Lunch is to be provided by the Host Chapter for up to five special award recipients and one guest per recipient, for a maximum of 10 lunches (see A.3.). The Host Chapter has the option to provide free lunches for additional guests or may charge them an amount not to exceed a reasonable fee for a comparable lunch or the actual cost for the lunch at the Host Chapter's discretion.

## California Surf Lifesaving Association Policies and Procedures Manual

In the event the Host Chapter elects to charge additional guests, notification to the recipients should be made along with the invitation. The Host Chapter will be responsible for notifying the Special Awards and Presentations Committee Chair of this at least 60 days prior to the meeting. The CSLSA will be responsible for payment for lunches for additional award recipients (beyond the first five) and one guest per recipient. This cost shall not exceed the actual cost for the lunch paid by the Host Chapter. Payment for lunches paid for by the CSLSA will be made within 30 days following the meeting.

Repayment to CSLSA is due within 30 days of the last date of the meeting.
- f. In addition to the seed money repayment and Seed Money Advancement Fee amount described above, the Host Chapter additionally agrees to split any net income (profit) from the meeting registration and fund raising activities (i.e. raffles, sponsors, etc.) 50/50 with CSLSA based on the expense/revenue balance sheet for hosting the meeting.

### **Suggestions and Examples for Hosting a CSLSA Board of Directors Meeting**

**Suggestions and Examples for Hosting a  
CSLSA Board of Directors Meeting**

**Introduction**

Hosting a Board of Directors meeting is not only an honor for the host chapter, but is a tremendous benefit to the organization. However, hosting can be very time consuming and can be stressful if not properly planned for. This document provides recommendations and tips for hosting a successful meeting.

**Tips for Hosting a Meeting**

As described above, hosting a meeting can be stressful. However, this stress can be greatly reduced by starting the planning process very early and creating a “meeting committee” to assist with various job duties. A Project Manager should be assigned to coordinate and oversee the entire process and assure deadlines are being met and resources are provided. Four to five committed people are needed in order to avoid the full burden falling on one person.

**A. Timeline for Meeting Preparation**

Following is a suggested timeline for planning and preparation for the meeting:

**5 months prior to meeting:**

1. Form a committee and assign responsibilities (assure members of committee will be available throughout process – essential for agencies hosting spring meeting as your planning is done over the winter months).
2. Create preliminary budget (see Sample Budget section).
3. Reserve meeting room location.
4. Reserve golf if necessary (6 months in advance is better).
5. Contact local hotels to determine the recommended option.
6. Secure dinner location.
7. Begin work on the flyer.

**4 months prior to meeting:**

1. Complete flyer including all information for meeting date/time/location/golf/hotel info
2. Email completed flyer to CSLSA webmaster.
3. Make a list of desired donations (surf stuff/clothing/gift cards).
4. Assign each committee member 2 - 4 local potential donors (surf Shop/sporting goods store/restaurant, etc).
5. Determine and order meeting registration gift (T-shirts or water bottles, etc.).

**3 months prior to meeting:**

1. Continue to work on donations. Follow-up with managers and store owners.
2. Contact potential breakfast/lunch caterers.
3. If not already done, order meeting registration gift.

**2 months prior to meeting:**

1. Secure breakfast caterer (if using a caterer for breakfast).
2. Secure lunch caterer.

**1 month prior to meeting:**

1. Make sure work schedule includes extra help for meeting day.

**2 weeks prior to meeting:**

1. Meeting with committee to work out any last minute issues. Follow-up on any outstanding problems.
2. Purchase non-perishable items.

## California Surf Lifesaving Association Policies and Procedures Manual

### 1 week prior to meeting:

1. Pay any deposits to caterers (if not already done).
2. Verify donations
3. Prepare post-meeting "Thank You" letters to sponsors.

### 2 days prior to meeting:

1. Purchase non-perishable items (if not already done).

### 1 day prior to meeting:

1. Purchase perishable items.

### B. Hotel Reservations

1. Find accommodations that are in close proximity (walking distance preferably) of the dinner location that is planned for Thursday evening.
2. Provide CSLSA members a few options for accommodations options (\$\$ and a \$\$\$)
3. Ask manager of hotel if they offer groups discounts (25 – 30 rooms needed). This should be completed six months in advanced.
4. Request the hotel manager provide you something in writing such as a room proposal listing the dates and the discount that is being offered for CSLSA members.
5. If the hotel offers a discount ...ask members to mention that they are CSLSA member when making the reservation and ask for the CSLSA member discount. Advertise the available discounts on the CSLSA flyer.
6. Provide links to all accommodations on the flyer.
7. Provide maps at the CSLSA meeting on Thursday to all the different accommodations that are recommended.
8. Send a thank you letter to the hotels that offered discounts.

### C. Registration Gifts

1. Determine gift (registration give-away) in advance. Typical gifts include a T-Shirt. As an example, San Clemente gave out metal water bottles and canteens at the Spring 2010 meeting. These items were purchased from [www.discountmugs.com](http://www.discountmugs.com).
2. Obtain the CSLSA logo from Bob Moore. This logo is not to be used for anything other than the CSLSA registration gift.

### D. Optional Golf Day (Wednesday)

1. Ask local golf courses if they offer group discounts for golf tournaments.
2. Reserve the requested date as soon as possible (6 months in advance is recommended).
3. Reserve a minimum of five tee times for a total of 20 golfers.
4. Advertise golf tournament on the CSLSA flyer. Information on the flyer should consist of the following information: When, Where, Cost and instructions regarding RSVP for golf.
5. Require golfers to RSVP at minimum 2 or 3 weeks in advanced.
6. A couple days or day before the golf outing...send an email out to all the golfers who RSVP'd and list everyone who is playing in each group along with their respective tee times. Also, let them know what type of tournament play will be played.

## *California Surf Lifesaving Association* **Policies and Procedures Manual**

7. Provide a goody bag for golfers. Goody bag could be things such as golf tees, golf balls, golf towel with agency logo embroidered on the towel, Agency lifeguard shirt, snacks, water and sun block. Any combination of things like that put in a bag and handed out to everyone playing golf before everyone tees off.
8. Prizes should be for lowest team score and closest to the pin and longest drive. Prizes could range from assortment of anything. Most prizes are gift certificates for food and or merchandise of any type.
9. Send a thank you letter to the person(s) responsible for providing the discounted green fees.

### E. Flyers

Create and email flyer 4 months in advance and email to [website@cslsa.org](mailto:website@cslsa.org) Flyer should include contact information, golf outing, hotel, dinner location. Be sure to include contact phone number or email addresses and physical addresses to locations so people can plug them into an online search engine.

### F. Maps

Create Google maps for attendees, including:

1. Meeting location (from north and south)
2. Hotels (from meeting location)
3. Dinner (from meeting location)
4. Golf (from north and south)

\*Include addresses for all locations – some attendees use GPS on phone/in car.

### G. Meeting supplies

1. Power strips (at least 2)
2. Extension cords (at least 2)
3. Microphone and speakers
4. Podium
5. Raffle tickets
6. Pre-printed maps from meeting location to suggested hotels and dinner location. Include physical addresses and phone numbers if possible.
7. Raffle bucket (where purchased tickets can be stored – San Clemente used a child's sand bucket)
8. Ice chests or buckets (2 depending on size)
9. Bold Markers/Dry Erase Markers (to create last minute signs)
10. American Flag
11. Table cloths
12. Paper goods (cups, plates, foil, napkins, utensils)
13. Serving platters
14. Serving utensils

### H. Workers

## *California Surf Lifesaving Association* **Policies and Procedures Manual**

You'll need to schedule employees or have volunteers available to assist with registration, set up room and food, assist with clean-up, and be available throughout the day to keep supplies stocked. Following are suggested schedules for assignments:

1. Meeting set-up first day (0630-1000): Four people who can go to store (day before or morning of) and deliver supplies to meeting location by 6:30 am. Having tables and chairs set up the night before is a great help, otherwise plan on more time in the morning. By 8:00, two of the people will be needed to work registration table. By 10:00, registration table can close and two people can leave. Two should stay to assist with late registrations, keeping food supplies stocked, and general assistance.
2. Lunch first day (1130-1:30): Four people needed for pick-up of food and set up and to assist with lunch and cleanup. One person should stay after 1:30 to assist with meeting needs throughout the day.
3. Meeting clean-up first day (1700): If room will be used the next day and supplies can stay, fewer people are needed. If room needs to be broken down and completely cleared, four people are needed to assist.
4. Meeting set-up second day (0700-0900): Three people for morning, with one person staying throughout meeting.
5. Clean-up second day (1200-1330): Three to four people needed for clean-up/breakdown.

Sample schedule:

Schedule	# of Helpers	Assignment
Day 1 0630-1000	2	Set-up/food
Day 1 0630-1000	2	Set-up/food/Registration table by 8 am
Day 1 0800 to 1700	1	General meeting assistance
Day 1 1130 to 1330	4	Lunch set up/service
Day 1 1700-1800	1	All day help (can be someone from list above)
Day 2 0700-0900	3	Morning set-up. One person needs to stay throughout meeting to assist.
Day 2 1200-1330	3 to 4	Clean up/breakdown

### I. Registration

You will need at least two people to cover registration between 8 am and 9:15 am. One person is sufficient after that for any stragglers. A box with miscellaneous items is very handy.

Registration supplies:

1. Receipts (suggestion: Pre-make/pre-number receipts with cost of one person to attend event. If one person pays for more than themselves, they receive as many receipts as necessary. This will cut down on registration time – most time consuming part of registration is writing receipts)
2. Pens (bring plenty of extras)
3. Pencils (just in case)
4. Stapler
5. Tape (scotch and packing)
6. Paperclips
7. Rubber bands
8. Post-it notes

## California Surf Lifesaving Association Policies and Procedures Manual

9. Scissors
10. Calculator
11. Cash box
12. \$50 - \$100 in change (small bills such as \$1's, \$5's, \$10's)

### J. Food

1. Breakfast – Day 1. Plan on all attendees eating, plus any guest speakers such as the Mayor, City Manager, etc.
  - a. Lunch - Day 1. Lunch for the first day will include all attendees, plus any special guests such as Heroic Act or Medal of Valor recipients and their families.
2. Dinner - Day 1. Anticipate all attendees, plus approximately 10 extra dinners for spouses or friends
3. Breakfast – Day 2. For breakfast on the second day, anticipate approximately 2/3rds of total attendees from day 1.
4. Water, soda, snacks – Both days.
  - a. Water - 5 flats from Costco
  - b. Soda – 3 cases from Costco
  - c. Ice & containers – Both days
    - 1) 2 ice chests or buckets
    - 2) 4 large bags of ice per day

### K. Fund raisin

1. Assign each person 2 to 4 potential donors to contact (surf Shop/sporting goods store/restaurant, etc). Assigning contacts will avoid multiple lifeguards from approaching the same donor.
2. Keep a detailed list of who donated what and the approximate value. This list can be used for follow-up “thank you” letters or gifts after the event.
3. Offer a receipt with your non-profit tax-payer ID# (if available).
4. Raffle tickets (Smart & Final -\$7.99 per roll. One roll is sufficient).

### L. Vendors

Vendors typically pay between \$100 and \$200 to have a booth on Thursday (off to the side, in the back or in an adjoining room). If they wish to speak, the required fee should go up to a minimum of \$250 and they will be allowed 5 minutes to address the Board of Directors and talk about their product. You may choose to accept a combination of cash and donated items for your raffle. For example if you require a \$250 fee, you could allow the donation of an item valued at \$150 and \$100 cash.

### M. Special Awards or Presentations

The Special Awards/Presentations Chairman or Secretary will let you know if there are any award recipients and how many guests are anticipated. Adjust the lunch order to include these guests along with anticipated meeting attendees. Awards are normally presented between 11:40 and noon the first day. Vendors who are making presentations should be given 5 minutes of time just prior to awards (11:30 to 11:40 or so).

# California Surf Lifesaving Association Policies and Procedures Manual

## N. Cash Management

Never leave the cash box unattended and assign one person to be responsible for all monies collected. Storing the cash box in a locked vehicle (out of sight) when not being used is a good option.

## O. Budget

Your budget will be largely determined by the anticipated number of attendees. For centrally located meetings (Orange County & LA County), higher numbers of attendees can be expected. Meeting locations at extreme ends of the region may have fewer attendees; however, this is not a guarantee. The CSLSA secretary may be able to provide the number of attendees at the last meeting held in your vicinity to assist. As a baseline, you can use 50 attendees as an estimate and adjust from there, based on current economic conditions, meeting location, time of year (fall or spring), important issues being presented at the meeting (elections, etc.), etc.

In general, registration fees should be used to cover meeting expenses only and are not designed to create a profit for the host chapter. Additional revenues can be obtained via fundraising events such as raffles. Golf or other outings are paid by participants and are not part of the meeting budget process. In general, registration fees will be used for meeting gifts, food, snacks, supplies, and room rental if necessary.

Two sample budgets are shown. The first is a simplified planning budget based on 50 attendees at \$50 per person. This is a baseline to use to begin building your budget. You will need to adjust projected number of attendees as described above. The second budget is a detailed version based on a meeting held in San Clemente with 65 projected attendees at \$55 per person.

## **SOCIAL MEDIA POLICY HANDBOOK**

### **INTRODUCTION**

#### **Mission of CSLSA**

*The mission of the CSLSA is to promote beach safety awareness and professional open-water lifesaving standards. Our members include lifeguards, junior lifeguards, and open-water rescue professionals from California (Santa Cruz south to the Mexican border) and Arizona. We accomplish our mission through public education, junior lifeguard programs, training programs, exchange programs, competition, and other means. The CSLSA is a non-profit (501C3, tax exempt) organization that works to prevent and reduce aquatic injuries, accidents and fatalities at open-water beaches.*

The California Surf Lifesaving Association (CSLSA) recognizes the importance of social media outreach as a channel to communicate with fellow lifesavers and especially the public. The goal is to share messages, prevent drowning events and injury at beaches, lakes, and other recreation areas that involve open-water aquatic environments. This handbook establishes guidelines for maintaining the various CSLSA social media accounts, and outlines the role of Social Media Administrators and liaisons that will be responsible for managing these accounts.

#### **Mission of the CSLSA Social Media Committee**

The mission of the CSLSA Social Media Committee is to expand the association's impact in the community by increasing public exposure to the diverse member chapters, their operations, and junior lifeguard programs.

## **DEFINITIONS**

### **Social Media**

Various forms are of communications such as direct messages, photos, and videos, which allow interaction among individuals, groups, and organizations. Social media are primarily Internet and mobile-based tools for sharing and discussing information. For CSLSA, it is another tool to communicate openly with the members of the public.

### **Platform**

The account to which content is posted. Social media platforms include Facebook, Instagram, You Tube, and Twitter.

### **Boosted/Sponsored Post**

A post or action for which the account administrator pays money to the social media platform in order to increase exposure and impressions displayed.

## **CSLSA SOCIAL MEDIA ADMINISTRATORS AND LIAISONS**

### **Administrators Duties**

The CSLSA Social Media Administrator(s) will be the Committee chairperson(s) who will be charged with managing the CSLSA Lifeguard Social Media accounts, including Facebook, Instagram, You Tube, and Twitter. The CSLSA Social Media Administrator(s) will be tasked with the responsibility of monitoring the diverse member chapter social media accounts for content to use on the CSLSA Social Media platforms, and will be the focal point for CSLSA Social Media communication.

The CSLSA Social Media Administrator duties include, but are not limited to:

- Generating social media content
- Planning and scheduling posts
- Communicating with member chapters for social media content
- Manage the Social Media Committee budget
- Monitoring social media traffic, impressions, and trends
- Moderating material for consistence with the goals and/or policies of the CSLSA
- Disallow/remove any inappropriate or distasteful comments

### **Liaisons Duties**

The CSLSA Social Media Liaisons will be the social media leaders from individual chapters, with the ability to post on the CSLSA social media platforms, on behalf of their respective chapters. Their posts on the CSLSA Social Media platforms are subject to evaluation by the CSLSA Social Media Administrator(s) and may be removed if deemed necessary by the CSLSA Social Media Administrator(s).

## **POSTING POLICIES**

### **Post Quotas**

The following percentages indicate the appropriate division of social media content. These quotas shall be a goal and guideline, may be adjusted as needed, and are subject to change by the CSLSA Social Media Committee as needed.

- **25%** - Junior Lifeguard Content
- **30%** - Lifeguard Daily Operations, Event Posts, Stories, Lifeguard History
- **25%** - Drowning Prevention/Water Safety
- **10%** - Member Beach Showcase
- **10%** - Promotion for Tryouts, Lifeguard Special Events, and Competition Team

### **Scheduled Posts**

Are posts that have been planned in advance and strategically posted at a scheduled time. A scheduled post generally relates to non-time sensitive publishing content that includes the following categories:

- Junior Lifeguard Content
- Lifeguard Daily Operations, Event Posts, Stories, Lifeguard History
- Drowning Prevention/Water Safety
- Member Beach Showcase
- Promotions

### **Event Posts**

Are time sensitive posts with varying degrees of publishing priority and sensitivity.

Event Posts are strictly posts with information about an event or incident that involves CSLSA chapter beaches. The goal of an Event Post is to display our lifeguard service in a positive image, communicate the non-traditional nature of lifeguarding in a variety of ways, and communicate important safety information. Event Posts can range from lifeguard competitions, lifeguard training exercises, beach incidents, or lifeguard employment opportunities.

### **Boosted Content**

Boosted posts should be dedicated to promoting beach safety information or newsworthy events that happen within the CSLSA.

## **CONTENT GUIDELINES**

All posts shall adhere to the following guidelines, unless specifically approved by the CSLSA Social Media Administrator(s):

- Posts that include pictures should include a caption with a description of the picture and the name of the beach at which it was taken. Tagging of beaches included should be used.
- When possible, posts with the pictures of any member of the public, cars, or vessels shall be taken or edited in such a way to ensure that the victim is unrecognizable, or the license plate, boat name, or registration number is not visible. Photo editing to blur or blackout identifying material is appropriate.
- If there is a question about content to be posted, contact the CSLSA Social Media Administrator(s) via [socialmedia@cslsa.org](mailto:socialmedia@cslsa.org) and the matter will be discussed with guidance from the CSLSA Executive Board.

## **GENERAL SOCIAL MEDIA GUIDELINES**

### **Guidelines for Gathering Content from the Field**

Gathering content, taking pictures, or filming shall not interfere with the lifeguard's duty to act in an emergency. Video footage is a great way to show the work that lifeguards do. However there is increased liability. Follow your individual chapter/departments social media policy regarding photo and video collection.

### **Direct Communication, Comment, and Private Messages**

It is important to remember that direct response and wall-to-wall communications are viewed in public forums. This is not like talking on the phone in a private one-to-one conversation. The CSLSA Social Media Administrator(s) and Liaisons should always be aware of tone, attitude, and how the communication will be perceived when communicating in public forums from the CSLSA Social Media accounts. If a direct question is posed in a comment section or through a private message, the CSLSA Social Media Administrator(s) and Liaisons may respond and encourage the person to ask their question via email to [socialmedia@cslsa.org](mailto:socialmedia@cslsa.org). Questions should then be answered or referred to the appropriate officer of committee chairperson.

CSLSA Social Media Administrator(s) should constantly monitor comments, disallow/remove any inappropriate or distasteful comments. CSLSA Social Media accounts shall not be used to create a public forum for rebuttal or controversial issues. All efforts will be taken to mitigate debates or arguments in the public setting.

## **LIABILITY AND LEGAL**

Every effort should be taken to prevent the creation of liability in content that is posted on behalf of CSLSA Social Media accounts. It is also important to consider that posts may be used in future lawsuits, and that material that could compromise the Associations image should not be posted.

CSLSA Social Media accounts will not be used under any circumstances to discredit allied lifeguard or other public safety agencies, post sexual/sensual pictures portraying personnel of same, or be used in any way for personal or monetary gain.

## **ACKNOWLEDGEMENTS**

This policy was created with guidance from the California State Lifeguard Social Media Standard Operating Procedures. As an affiliated body with the CSLSA, it was pertinent to utilize their Standard Operating Procedure to create this policy.

These guidelines will be revised often, and updated as new challenges arise and successful systems are implemented.
